The Surgery Interest Group (S.I.G.)

President and founder: David Manning, MS2
Vice-President: Timmothy Randell, MS2
Treasurer: Michael Reed, MS2
Sponsored by Jane Eggerstedt, M.D.

SIG was founded as of February 5, 2007 and since has exploded into the student life scene, already acquiring a significant membership of 50 bright and ambitious medical students since its debut! This "cutting edge" group serves as a refreshingly fun and unique forum for open-minded medical students seeking explicit information about the noble and ancient field of surgery. The mission of the Surgical Interest Group is to develop a skilled, sophisticated medical student coalition that is involved in both LSUHSC and the community, up to date in surgical literature, and capable of excelling at any surgery rotation or residency in the country with confidence, competence, and professionalism.

The American Medical Association Medical Student Section is a national organization for medical students with the goals of improving medical education, developing leadership, and promoting activism for the health of America. The LSU-Shreveport Chapter is actively involved in attending regional and national meetings including ones in New Orleans, Las Vegas and Chicago. Local leadership and community service are also emphasized through a major service project organized during the year, in accordance with the current national service project-- "Covering the Uninsured."

AMSA

The American Medical Student Association is a student-governed, national organization committed to improving medical training and the nation's health. This year our chapter focused on eliminating healthcare disparities through activism and education, and we attended the AMSA National Conference in Washington, D.C.

Student Organizations

Asian Pacific American Medical Student Association

APAMSA is the Asian Pacific American Medical Student Association. We are a national organization that aims to address those issues important to Asian Pacific American medical students.

One part of our mission is to bring together individuals interested in the health issues that affect Asian Pacific Americans so that we may have a strong, collective, public, and political voice. We are interested in directly promoting the health and well-being of the Asian Pacific American community as well as in helping all health care workers who work with these communities understand how to care for these patients in a culturally sensitive manner. Finally, APAMSA provides an important forum for Asian Pacific American medical students to meet, exchange information, and experiences in order to develop personally and professionally.

MRI - Medstudent Radiology Interest Group

Mission: Founded in 2006 by two medical students interested in Radiology.

Mission Statement: Provide students interested in all branches of Radiology (Neuroradiology, Interventional Radiology, Pediatric Radiology, Diagnostic Radiology, Radiation Oncology) with a means to learn and discuss the fields. Various speakers inform students about the current state and future trends in Radiology fields as well as providing information to aid in obtaining residency positions.

Meetings: Every two to three months.

Officers: No formal officers; currently the group is maintained by the two co-founders, Kyle Russo and Kyle Degeyter.

Faculty Advisors: Abbie Kemper-Martin, M.D./Ph.D. (LSUHSC graduate; Diagnostic Radiologist); Thomas Gates, M.D. (LSUHSC graduate and Diagnostic Radiologist)

Contact Information: Kyle Russo (jrusso@lsuhsc.edu); Kyle Degeyter (kdegey@lsuhsc.edu); contact either to be added to the mailing list.

OB/Gyn Interest Group

The LSUHSCS OB/Gyn Interest Group is a local student-run interest group open to any medical students interested in obstetrics and gynecology, its subspecialties, or simply womens health. The group meets four times a year to learn more about the Ob/Gyn field of medicine and to discuss issues pertaining to womens health. Our group helps to serve as an educational resource for first and second year medical students who do not yet have the clinical opportunities that we receive at LSUHSCS in our third and fourth years. Free lunch is provided to all who attend the meetings.
